I. Activities of the year 2023

Please specify what activities have been organized by your RD/TC/WG during the past year, including specialty conferences, activities related to world and regional congresses, educational activities, publications, contacts with other organizations, etc.

Tables below can be copied and added for more activities. The first one (Activity 1) is an example for your reference.

Activity 1

2023 1st IAHR-APD EC Gathering

Dates and Venue

March 31, 2023, 12:30-13:30 PM (Asia/Seoul) (GMT +9)

Zoom Meeting

Description

The IAHR-APD EC members and presidency were newly formed in 2023, and all confirmed members held the first EC meeting on Mar. 31, 2023 via Zoom meeting. Starting with Norio Tanaka, all members briefly had time to say hello to each other and then discussed the next APD Congress decision and cooperation plans. We decided to gather again at the 40th IAHR and continue meaningful discussions for the development of APD.

Activity 2

25th 2026 IAHR-APD Venue Vote

Dates and Venue

March 31, 2023

Online

Description

The 23rd IAHR-APD was successfully held in Chennai, India, and the 24th conference is scheduled to be held in Wuhan, China, in 2024. The time has come to select the venue for the 25th APD congress in 2026. All EC members who had the right to vote voted online after listening to speeches from Thailand and Korea, the candidates for the venue selection. As a result, Incheon, Korea, was selected as the venue for the 25th IAHR-APD. All APD members, including the IAHR-APD Secretariat and EC members, look forward to the successful hosting of the conference in Korea.

II. Activities of future years

Activity 1

2023 2nd IAHR-APD EC Gathering

Dates and Venue

August 22, 2023, TBD

Description

Expect us to have our first face-to-face meeting since the COVID-19 pandemic. The EC members of the IAHR-APD were formed with new members with a new presidency. APD members, including Chairman

Norio Tanaka, will gather at the 40th IAHR congress to discuss preparations for the APD congress, the current status of JHER papers, and free discussion.
